

FACULTY PROJECT PROFILE

The Office of Sponsored Programs and Grants Administration is developing a database that contains faculty research, creative, and scholarly project profiles. The immediate purpose of this database is to assist you in identifying potential sponsors for your area(s) of interest. To submit your profile, please complete this form and email it to Bob Baird at bob_baird@redlands.edu.

Name: _____
Email: _____

What type(s) of assistance are you interested in receiving?

Type of Assistance	Yes, definitely want this	Maybe. Want to learn more about this	No, not interested
Find sponsors - Search multiple web-based sources for funding opportunities that fit your project			
Proposal development - Review narrative, verify format, edit and assist with non-technical writing			
Budget development - Verify costs, collect quotes, and build your overall budget			
Application completion - Complete forms, collect required documentation, assemble the whole package, and ship it off or submit it electronically for you			

If you've previously received funding from a sponsor, please provide sponsor's name and year of award.

Please provide a few key search words that specifically define what your project focusses on:

Please provide a few paragraphs on your research, creative and/or scholarly project(s) of interest:
