

Group Advising:

EDUC-636 Master's Seminar

M.A. Ed. Admin.

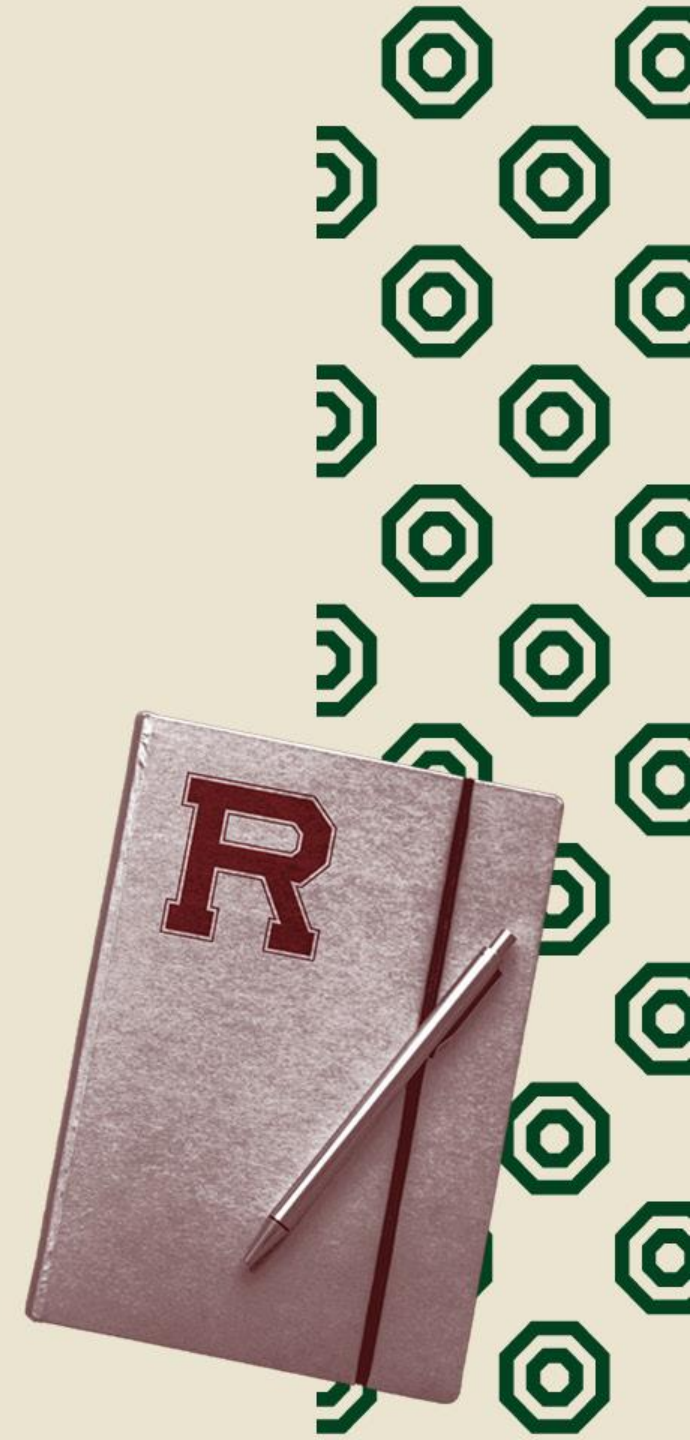

OVERVIEW

- Course Objectives
- Focus Area/Research Topic
- Literature Management
- Writing Support
- Questions

Course Objectives

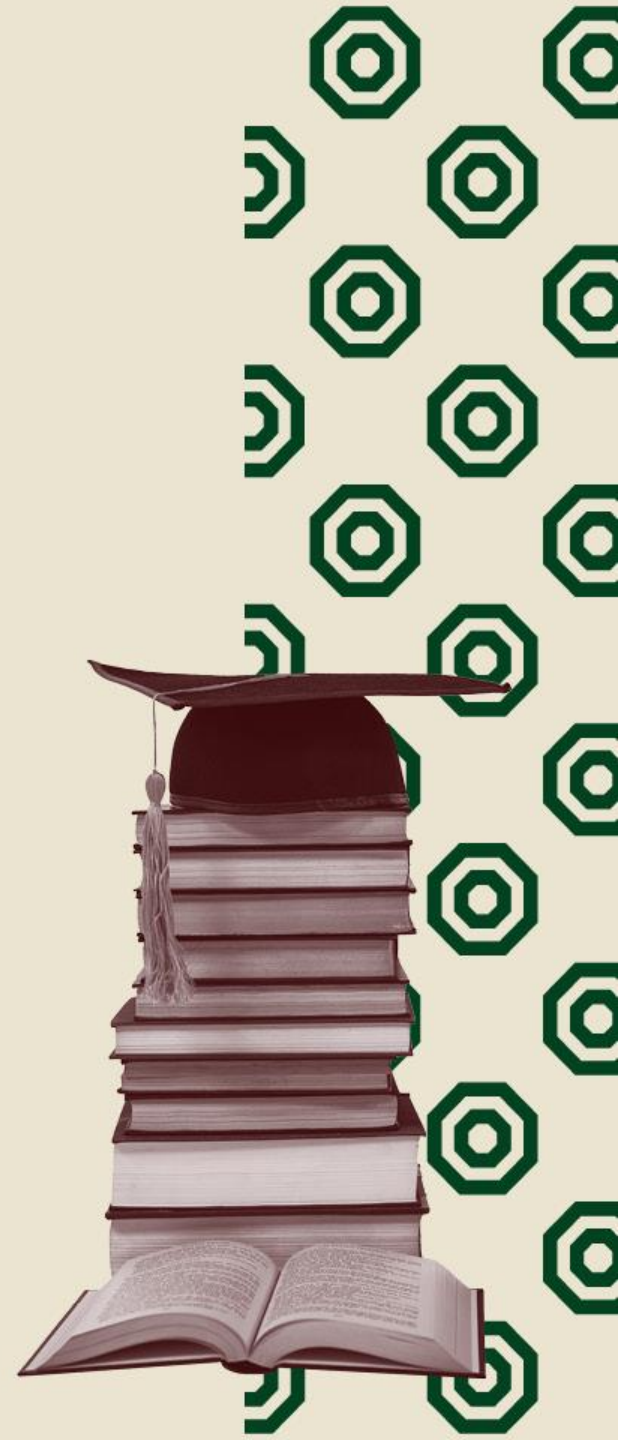

Students will have the opportunity to identify, explore, and research an area of education administration in depth and then communicate findings to the professional community.

Focus Areas

How do you choose a research topic?

- What are you interested in/passionate about?
- Research Question:
- What is missing?
 - Why should people care?
- Gather literature that supports/adds to your research question
 - 25-30 articles of support

Literature Management

1. Create a system- what works best for you?
2. Organize! Organize! Organize!
 1. Folders that organize topic, demographic, etc.
 2. APA Reference list
3. Use tech tools
 1. Start annotating early!
 2. Spreadsheet
 3. BibMe

Writing Support

- Online appointment
- E-Mentoring appointment
- Writer Studio Weekly newsletter
